MEETING NOTICE

Wednesday, February 10th, 2021 at 7:30pm

Combustion Analysis Training:

- 1) Why perform combustion testing
- 2) Using a combustion analyzer to diagnose, resolve, & prevent equipment issues
- 3) How contractors can make money (\$\$) with an analyzer

Presented by: Tyler Nelson: E Instruments Combustion Analysis

Until further notice, we will be presenting our Monthly Educational programs on the **ZOOM** platform. You can access this program **at the scheduled date and time** by clicking on the link below, or by copying and pasting the link into your browser).

Each month will have a NEW LINK.

<https://zoom.us/j/93177364204>

(Same link for Computer or SmartPhone)

See you there (virtually).....

PRESIDENT'S MESSAGE

Our Zoom monthly meetings have been going very well. We send out the monthly meeting notice with the link about a week in advance. We then send out another reminder announcement of the Zoom meeting closer to the day of the presentation. When you get this notice, set your alarm on your cell phone for 7:15pm. That way you will not miss the meeting (yea, we know). If you have not been seeing these notices, check your “junk mail”.

Please bear with us during these trying times, until our lives (and schedules) can get back to “normal”.

Also, remember that one of the casualties of this “pandemic” is that our regular meeting place (Riccardo's) has permanently shuttered it's doors. This means that when we can finally return to regular in-person meetings, we will need a place to meet. Please help us find a place that will meet our needs.

Please contact me at: *president@metronyrses.org* with any suggestions.
