Educational Program—January 11th 2023

Advanced Common-Sense Troubleshooting
Steam and Hydronic Systems

- . Dos and don'ts
- . The importance of proper near boiler piping
 - . Who was there before you?
 - . What do the instructions say?
 - . Proper tools

Presented by Rich Bruno
Heating Systems Consultant-Extraordinaire

PRESIDENT'S MESSAGE

HAPPY NEW YEAR

Our December meeting was our first in person meeting in two years. The meeting was preceded by a meal paid for by the chapter. Unfortunately, the chapter cannot afford to pay for members' meals at every meeting. In an effort to encourage attendance at our meetings, the chapter will subsidize the dinner. A set fee of \$20 will be charged to each member who would like to dine with us before the meeting (guests are welcome to join us), beginning with the January meeting. The chapter will pay the balance. We realize that it will take a while for attendance to build up to pre-pandemic levels, but we're greatly encouraged by the December attendance.

In order to let the restaurant know how many to expect, we ask that you RSVP to RichBrunoNY@aol.com

Remember, *we have a new meeting location:*

Taverna Kos

41-19 23rd Avenue

Astoria, NY 11103

We plan to eat at 6:00 and have the educational presentation at 7:30.

Hope to see you at our January meeting, in the meantime stay safe.

Drew Garda, President
