PRESIDENT'S MESSAGE

I hope everyone is healthy and staying safe. The current pandemic has certainly changed our lives and the way we do business. All our customers are very aware of the viral pandemic and the problems it has created. It is up to you to not only be technically competent, but to also reassure your customer of your concern for their health. You do this by wearing a mask and social distancing both on and off the job.

Because of the current conditions, and our concerns in keeping you and your loved ones safe, we have cancelled both seminars we were planning for the Fall. We are also suspending all our meetings until it is safe to resume them. **WE WILL**, however, continue with our monthly newsletters. Please be sure to read them in order to ensure you know when we resume our monthly meetings.

We are planning a full program of new and interesting topics to keep you up to date on the newest technology, equipment, tools and techniques to keep you current in the industry. As usual, these programs will be presented by the leaders in our industry.

Your Board of Directors joins me in hoping you and your family stay safe and healthy.
