PRESIDENT'S MESSAGE

I hope you all had a busy and prosperous summer. Our September meeting marks the beginning of another year of learning, as well as the opportunity to network with other technicians. With less Covid around, we feel it is safe to continue to have our in-person meetings at:

Taverna Kos
41-19 23rd Avenue
Astoria, NY 11103

Rich Bruno has been busy lining up interesting and poignant educational speakers for our meetings. However, Rich can use your help. If you have any suggestions for a speaker or topic, please contact Rich at: RichBrunoNY@AOL.com. Some of our best speakers have come from members (YOU) suggestions.

Join us on Wednesday September 13th for our first meeting of the year. We will once again serve dinner starting at 6:00 pm for the set (subsidized) price of \$20.00, and the chapter will pay the balance. If you do not want to have dinner, join us for the educational presentation beginning at 7:30.

We recently inquired to International headquarters about many members not receiving their new membership cards. Below is their response:

"We will get the cards out very soon, we had to wait a little longer for our card stock, it was on a major back order. But we just received our order and will begin printing membership cards."

Stay safe and healthy.

Drew Garda, President
